The Fizzy Fuzzy Chronicles is a scripted, narrative audio drama inspired by the album *Fizzy Fuzzy Big & Buzzy* by The Refreshments. This modern mockumentary true crime story blends music and storytelling, unraveling the chaotic love, crime, and betrayals of Jack Trumane, Diane Parker, and their reluctant accomplice, Charlie McGregor.

We are committed to diverse, inclusive casting. For every role, please submit qualified performers without regard to disability, race and ethnicity, age, color, national origin, or any other basis prohibited by law unless otherwise specifically indicated.

**[ DETECTIVE ROBERT "BOBBY" WATTS ] (53, Male)** Gruff, sarcastic, and relentless. A seasoned detective with a chip on his shoulder, determined to catch Jack and Diane, no matter the cost. SUPPORTING.

### DET. WATTS

**Did we lose them? Yeah, we lost them. Jack and Diane slipped through my fingers like they were made of smoke. And yeah, it stings. But let me tell you something—it's not over. People like them, they think they're invincible, that the world owes them something. They make noise, leave chaos in their wake, and run like hell when it all comes crashing down. But you can only run for so long before the past catches up. And when it does? I'll be there. Because this isn't about glory or headlines for me—it's about the grind. The long, relentless pursuit of people who think the rules don't apply to them. So, go ahead, Jack and Diane. Keep running. I've got all the time in the world.**
