The Fizzy Fuzzy Chronicles is a scripted, narrative audio drama inspired by the album *Fizzy Fuzzy Big & Buzzy* by The Refreshments. This modern mockumentary true crime story blends music and storytelling, unraveling the chaotic love, crime, and betrayals of Jack Trumane, Diane Parker, and their reluctant accomplice, Charlie McGregor.

We are committed to diverse, inclusive casting. For every role, please submit qualified performers without regard to disability, race and ethnicity, age, color, national origin, or any other basis prohibited by law unless otherwise specifically indicated.

[JACK TRUMANE] (28, Male) Lean, worn down, haunted by past choices. A disillusioned former golden boy, drawn into chaos by his toxic relationship with Diane but unable to let go. LEAD.

JACK

You ever have one of those moments where you know—you *know*—you should walk away, but you don't? That was me, the first time I saw Diane. I could've run. Hell, I *should've* run. But I didn't. She gave me this look—a mix of a dare and a promise—and that was it. I was done before I even opened my mouth. Diane wasn't just a person; she was a storm. The kind that pulls you in, breaks you apart, and leaves you wondering if you'll ever feel whole again. And me? I let her. I let her wreck me, one bad decision at a time.
