The Fizzy Fuzzy Chronicles is a scripted, narrative audio drama inspired by the album *Fizzy Fuzzy Big & Buzzy* by The Refreshments. This modern mockumentary true crime story blends music and storytelling, unraveling the chaotic love, crime, and betrayals of Jack Trumane, Diane Parker, and their reluctant accomplice, Charlie McGregor.

We are committed to diverse, inclusive casting. For every role, please submit qualified performers without regard to disability, race and ethnicity, age, color, national origin, or any other basis prohibited by law unless otherwise specifically indicated.

**[ OFFICER CAM STEVENS ] (30s, Male)** An earnest patrol officer caught off guard by the chaos, trying to do his job despite being in over his head. SUPPORTING.

### Officer Cam Stevens

I was next door at the time, grabbing a lotto ticket and one of those frozen burritos—you know, the kind that looks better on the box than in real life. I wasn't even on duty yet, but I heard the commotion from the bar. Thought it was just another rowdy night at Mekong until I saw Sheila on the phone, looking panicked. That's when I knew something was up.
